BOYCE LIFETIME ENGINE & TRANSMISSION WARRANTY

Boyce Auto Sales and Financing is happy to provide its customers with a lifetime warranty on their engine and transmission for as long as they own the vehicle. Boyce Auto Sales trusts the products it sells as such is now offering its customers the opportunity to purchase a lifelong Warranty on the engine and transmission. Like all warranties there are limitations and policies to this warranty. Please see the outlined information we have provided below.

What does this Warranty cover?

- ✓ Internal Failure.
- ✓ Check engine light referencing Cam phaser, timing chain issues. Check engine light referencing internal failure as long as the internal failure was not due to a part that should have been changed under the "General Maintenance section".
- ✓ Internal Failure on the engine including failure to any internally lubricated part including crankshaft and main bearings, Camshaft and Bearings, Connecting Rods and Bearings, Timing Chains and their Gears and tensioners, Valve Lifters and push rods, intake and exhaust valves, valve springs and retainers, valve guides, Pistons, Piston Rings, Wrist pins and Rockers arm assemblies and oil pumps, along with any other parts deemed to be maintained correctly.
- ✓ Internal failure to the Transmission including failure to any internal lubricated part not limited to torque converters, modulator Valve and Solenoid packs, as long as parts have been maintained to a standard approved by our general maintenance terms. Does not include failure to the clutch on manual transmission or failure on Manual transmissions due to flexplates or flywheels.

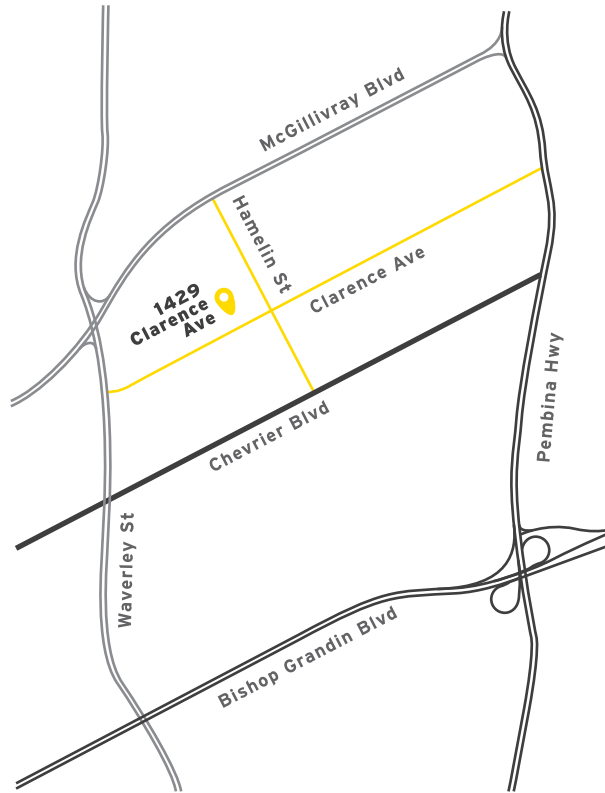

What does this NOT cover

- ✓ Any Check engine light that involves a Sensor, Items external on the engine or transmission, Anything to do with Exhaust, or fuel issues, Misfire codes not created due to internal engine issues such as timing chains. Any items not listed in the "What does this warranty cover" Section.
- ✓ Maintenance Items that need to be changed as per Manufacture Guidelines (Ex Timing belts, Spark plugs).
- ✓ Any sort of leakage (Unless extra Coverage taken).
- ✓ Failure on Engine or Transmission Due to towing or carrying a weight that is beyond recommended manufactured specifications, failing to install correct Transmission cooler or hitch required to tow weight.

General Maintenance section (Keeping warranty Valid)

The following Guidelines MUST be followed in order to keep warranty valid. Failure to do so will result in the warranty being VOIDED!

- ✓ In order to keep your warranty Valid you must change your oil every 5000km (NO exceptions) or min 2 times a year if you don't put on 5000km within a 1 year time frame (Once in Fall Once in Spring).
- ✓ Engine must be Flushed once every 2 years or 24,000km.
- ✓ Transmission MUST be flushed ever 4 years or 48,000km (Filter and gasket MUST be replaced every 2nd flush if equipped).
- ✓ Spark Plugs MUST be Replaced 60,000km after purchase of vehicle and every 100,000km there after Wards.
- ✓ Timing Belt if not done must be replaced within 48,000km of purchase and then every 100,000km or 8 years there afterwards.
- ✓ All Maintenance work MUST be completed at Signature Motors Collision center for the exception of Oil changes. Should you do an oil change outside of Signature Motors collision Center, Invoices Must be provided should a warranty need to be submitted. Failure to present invoices will result in the warranty being Voided. Oil changes MUST be completed by a warranty approved facility or by a facility approved by Boyce Auto Sales and financing in writing. Failure to do so will result in the warranty being void.
- ✓ Driving with a check engine light on for extended periods of time without it getting repaired, regardless of why the light is on.
- ✓ Any Front end accident including under carriage on front end or any rear end damage that could have pushed or jarred the Transmission MUST be repaired at Signature Motors Collision Center. Failure to do so Will result in the warranty being voided.
- ✓ Any leaks on engine or transmission that are leaks (Not Seepage) must be repaired including but not limited to Valve covers, Gaskets or seals.
